Mr. O. F. Grieve - Paoli Laboratory
Mr. N. F. Morrone - Paoli Laboratory

Mr. Malcolm Meyer and Mr. K. A. McCaskill have asked that I personally congratulate all of the people in the Laboratory and Research Department who have played a part in the development of our Bestwall One-Day Joint System. We would also like to add to their congratulations those of all of us in the Sales Department, as this is certainly a giant step forward for the gypsum industry and more particularly "another first" for Bestwall Gypsum Company.

Those of us in Sales feel most confident in being backed by such competent and dedicated individuals as those of you in the Laboratory, Research and Manufacturing Department.
