Subject: Safe Streets and Roads for All Grant Program

Good afternoon, Loren,

My name is Mason Greenwald and I am a legislative aide for Congressman Clay Higgins. On June 19th, we sent the DOT letter of support for the Lafayette Consolidated Government's application to the Safe Streets and Roads for All Grant Program. I wanted to circle back and check in with you about the timeline for grant announcements and reiterate our support for Lafayette.

Thank you for the important work you all are doing at DOT, and we look forward to working with you on future efforts to improve America's transportation infrastructure.

Thanks,
Mason
