Dear Mr. Perdue:

It is a pleasure to be able to write and inform you that we have received payments totaling $1,127,570 for the Kettering Laboratory Building Fund. In accordance with our agreement we have now qualified for the final payment of $50,000 on the generous pledge of $175,000 from the Ethyl Corporation.

Needless to say our gratitude to you is very great for your generous assistance in making possible the construction of this fine laboratory, which will soon be ready for use. Dr. Kehoe is planning an appropriate dedication ceremony about which you will be hearing.

Sincerely,

RCB
