Here's
a sound
idea!
Pay for
auto repairs
with an
auto
loan

Does your car need repairs
of any kind, important things
like wheel alignment to save
tires, motor tune-up to save
gas and oil, and other repairs
which cost more money than
you have at the moment?

Get the money here and have
repairs taken care of at once.
Your car will be sufficient
security for the money you
will need to meet the bill.

A loan of \$100 over a period
of ten months costs \$5.50,
plus \$1 California vehicle
registration fee. Each month-
ly payment on your loan in-
cludes \$10 on principal and
1% per month interest on
the unpaid balance. No ad-
vance depositions. No insur-
ance charge on an Auto Loan.
