LETTER OF

Mr. J. G. Kingston

SUBJECT GLIDDEN FLORENAMEL TILE GREEN Y-843-E

Mr. W. M. Tomc

We are sending through the formula Y-843-E to remove the lead pigment, lead driers and lead drier feeder. The formula will meet the Chicago lead law (.06% lead maximum). The cost increase will be 10¢ per gallon. The lead-free pigmentation is the reason for most of the cost increase. The quality and performance standards are the same as the standard Glidden Florenamel line.
