Of course there are such  
cessities as new sewers,  
million (\$30 million from  
es), and additional sewage  
atment plants \$12.5 mil-  
n (\$10 million from taxes).  
The Board of Education has  
to submit its list but is  
rking on it.

The Art Commission asked  
no money but made a  
ntive request on behalf of  
ture and beauty. It sug-  
sted 2 per cent of the cost

"beautifying the construc-  
project with sculpture,  
nting and landscaping."

#### BONDS

City officials hope that  
ny of these projects can be  
anced by a bond issue  
ch would go before the  
ers in November of 1964.  
quite possibly the bond is-  
would be paid off by the  
v's share of sales taxes  
not from property taxes.  
low many of the projects  
ive depends upon the  
ntal Improvement Com-  
tee, the Mayor, and the  
ard of Supervisors.  
The committee starts its  
ew today after the report  
s forwarded by the City  
nning Commission yester-
