Re: Joyce M. Brooks v. Union Carbide Corporation  
(MSDS - 121-2)

Dear Ms. Toman:

Per our discussion on August 22, 1989, I enclose pages 2, 3 and 4 of a five-page MSDS.

We are involved in litigation in Indianapolis, Indiana. The plaintiff alleges that he was exposed to certain materials while employed at Essex Wire Company in Indiana. The copy of the attached MSDS was provided to us during discovery.

I would appreciate it if you would provide us with the most current MSDS on this particular product, as well as copies of all the MSDSs on this product since 1979.

I would appreciate it if you would provide me with this information by September 5th.

Very truly yours,

  
John R. Downey
