Subject:	unpaid invoice

Dear Dr. Tsai

I received an invitation letter from Dr. Rice to attend API annual meeting in USA. I will be happy to attend this meeting. Today I called Prof. Xu Zhongliang to ask him if also go to USA to attend this meeting. He is very angary to complain that their travel cost (he and Prof. Liang Zhengliu as well as Prof. Li Guilan) in last time has not been paid until now. As this money was their private and their family was also unhappy. He said t hat he has contact to Bruce several times but no response. I could not really explan the reason because our invoice last year has not been paid by API until now.

I would appreciate if you would help me to call to Bruce and ask him give us some explaination and I can tolk to them.

Thanks
Regards
