Drive out to see these gardens; it is a joy and an inspiration to see what the Ord Village people have accomplished.

Possibly you might like to do it next Tuesday morning for the cheese making demonstration that is being held in the Red Cross community house overlooking the gardens. The demonstration begins at 9:30 a.m. on Tuesday May 4 (for it is not only victory gardens that the village is interested in). An early pot luck luncheon is going to be enjoyed by those who wish to stay until after the cheddaring of the cheese, so bring whatever you have if you would like to lunch with the cheese makers.
