Survey Seeks Feedback on Natural Refrigerant Growth

To better understand reports of exceptional growth in the natural refrigerants industry, we are reaching out to our network to participate in a short survey. The survey, aimed at natural refrigerant OEMs, seeks feedback on growth in CO₂, ammonia and hydrocarbon systems. It only takes about five minutes to complete, and information will only be used in aggregated form. How is *your* company performing?

Take The Survey

Open the discussion

We welcome your comments,
questions and suggestions about our
coverage of natural refrigerants and
sustainable HVAC&R.
