**Subject:** The Storm Before the Calm: July Energy Tracker Updates

The Latest on Keystone XL, ESA, CPP and much more

Dear Christian:

Skipping town for August? Before you disappear, check out this month's update to the [Global Energy Institute – Beveridge & Diamond Energy Tracker](#).

Whether the issues you are interested in are high-profile or down in the weeds, [the Tracker](#) is a one-stop shop for monitoring key energy policy and litigation activities, as well as quick access to agency comment dockets and other official materials.

Below is just a small sample of the activity appearing in our latest update—click below to check it out!

Please share the [Tracker](#) updates with co-workers and colleagues interested in following the latest in energy policy.

Have a great summer!

Sincerely,

Dan Byers  
Vice President Policy  
[Global Energy Institute](#)
