THE SAME EXPERTLY STAFFED AND FULLY EQUIPPED LABORATORY WHICH DEVELOPED THE ORGANIC VAPOR MONITOR CAN ALSO PROVIDE COMPLETE GAS CHROMATOGRAPHIC ANALYSIS.

The AIHA Accredited 3M Lab offers:

- Specialized service
- Fast turnaround time — 7 working days
- A written, confidential report on each analysis.

All the organic vapors listed on the back of the 3M #3500 Analysis Request Form can be analyzed by 3M. Please complete the information needed on the #3500 Analysis Request Form found in each mailer. To obtain your copy of the #3500 Compound Guide Notebook, complete the mailing list registration card contained in every instruction manual of #3500 monitors.

The corrugated shipping box in which the monitors are initially packaged is also a ready-to-use return mailing carton to 3M for larger quantities of #3500 (3+).
