DOCUMENT DESCRIPTION: Letter to Mr. Donald Tulloch RE Clark Asbestos
Jackets & Clark Asbestos Company

April 12, 1935

Mr. Donald Tulloch, Jr.,
16th Floor, Inquirer Bldg.,
Philadelphia, Pa.

Dear Mr. Tulloch:

Answering your letter of the eighth re jackets and the Clark Asbestos Company, we do not sell Clark Asbestos jackets nor the paper to manufacture them. I am inclined to believe this is coming through Detroit or probably Sall Mountain.

I tried to reach Ehrets by phone but found everyone away. Probably we could get some information from them as to Clark's source of supply on this item.

Very truly yours,

President
