Q 18

BEFORE THE INDUSTRIAL ACCIDENT COMMISSION OF THE STATE OF CALIFORNIA
CASE NO. 57 LA 183-835

JAMES WHITCOMB RILEY,
Applicant,
vs.
JOHN-MANVILLE, INC., a
Corporation, et al.,
Defendants.

APPLICATION FOR HEARING AND
PETITION FOR REAPPORTIONMENT
AND DETERMINATION OF ADDITIONAL
AND MULTIPLE LIABILITY AND
RESPONSIBILITY UNDER LABOR CODE
SECTION 5500.5.

COMES NOW your Petitioner, THE INDUSTRIAL INDEMNITY
COMPANY, and by this, its Petition, respectfully states, shows,
alleges, and petitions as follows:

STATEMENT OF FACT AND ALLEGATIONS

James Whitcomb Riley, born October 23, 1899, sustained
an industrial injury (occupational disease of asbestosis with com-
plications) during the approximate period of January 1920 through
May, 1957 while employed in California at maximum earnings as an
insulator by multiple employers under multiple insurance coverages.

That applicant became temporarily totally disabled on
May 20, 1957, which temporary total disability continues to the
present time with no cessation date available or foreseeable.

That applicant sustained and incurred substantial medi-
cal treatment to cure and relieve from the effects of his industrial
injury which need continues with no cessation date available or fore-
seeable.

That applicant may ultimately sustain some permanent dis-
ability, the extent of which is presently incapable of exact evalua-
tion.

That an application for hearing for compensation benefits
was filed on or about August 2, 1957 which was followed by substan-
tial litigation resulting in a Findings and Award of November 27, 1959,
a copy of which is attached hereto and made a part of this record as
Exhibit "A".

That Petitions for Reconsideration were filed by multiple

defendants but denied by Order of the Southern Panel of the Industrial Accident Commission on February 4, 1960.

That on or about March 3, 1960, applicant made an election against your Petitioner only, as among those held jointly and severally, liable to pay said Findings and Award which payments in fact have been made and continue to be made.

That your Petitioner has complied with and continues to comply with said Bindings and Award. Also that to date your Petitioner has paid \$7400.00 in temporary total disability and \$1375.17 for medical treatment.

FIRST, THAT APPORTIONMENT OF THE ABOVE MENTIONED LIABILITY AND RESPONSIBILITY BE ALLOWED AS BETWEEN THOSE PARTIES HELD JOINTLY AND SEVERALLY LIABLE UNDER THE ORIGINAL FINDINGS AND AWARD BUT AGAINST WHOM NO ELECTION FOR PAYMENT WAS MADE.

Briefly, your Petitioner respectfully requests that further proceedings be had to determine the extent of liability and responsibility under the Compensation Laws of the State of California of the various jointly and severally liable defendants who, as yet, have not been compelled to satisfy any part of said Findings and Award.

As said parties are already joined in this matter, and their employment-coverage relationship already adjudicated, your Petitioner asks that these parties be again joined only if necessary and be given notice of said proceedings so as to determine their proportionate liability:

SECOND, THAT THE FOLLOWING PARTIES EMPLOYER AND COMPENSATION CARRIER BE JOINED AS PARTIES DEFENDANT SO THAT THEIR RESPECTIVE PROPORTIONATE LIABILITY AND RESPONSIBILITY CAN BE JUDICIALLY DETERMINED.

It is respectfully asserted that the applicant herein also sustained the industrial injury as alleged herein while in the employ of the following employers for the following periods and under the following compensation insurance coverage (see also attached letters of California Inspection Rating Bureau and Social Security Administration, marked as Exhibits B & C).

An Application having been filed herein and all parties having appeared and the matter having been regularly submitted for decision, GEORGE A. MARTINELLI, Referee, makes his Findings and Award, Order Denying Lien Claim and Order Dismissing Party Defendant as follows:

FINDINGS OF FACT

1. James Whitcomb Riley, born October 23, 1899, while employed as an insulator by various employers in the State of California, commencing in the month of January, 1920 continuing through May 19, 1957, sustained injury arising out of and occurring in the course of his employment as follows: In the performance of his occupational duties, the applicant was exposed during each and every day of his employment to deleterious dusts, the accumulative effects of which resulted in a pneumoconiosis and tuberculosis which rendered the applicant totally disabled on May 19, 1957.

2. The names of the employers and insurance carriers for said employers during the periods of said employment and exposure are as follows:

(a) Employers: Johns-Manville, Incorporated; Warren and Bailey; Southern Asbestos & Magnesia Corporation; Plant Rubber and Asbestos Company; Los Angeles Rubber Company; Plant Insulation Company; Marine Engineering Company; Robert O. Lynch, an individual, doing business as Lynch Asbestos Company and Lynch Asbestos

Company; Plant Insulation and Thorpe Co.; Armstrong Cork Company; Coast Insulation Products; Totman-Morgan Company; and J. T. Thorpe, Inc.

(b) The insurance carrier for Marine Engineering Company, a corporation, and Plant Insulation Company, a corporation, during a part of the period of applicant's employment, was Pacific Employers Insurance Company, a corporation.

The insurance carrier for Robert O. Lynch, an individual, doing business as Lynch Asbestos Company and Lynch Asbestos Company, a corporation during a part of the period of applicant's employment, was Industrial Indemnity Company, a corporation.

The insurance carrier for Coast Insulation Products, a corporation, during a part of the period of applicant's employment was Guarantee Insurance Company, a corporation.

The insurance carrier for J. T. Thorpe, Inc., a corporation, during the entire period of applicant's employment, was American Motorists Insurance Company, a corporation.

The insurance carrier for Plant Insulation Company, a corporation, during a part of the period of applicant's employment, was Fireman's Fund Indemnity Company, a corporation.

During said times, all the employers and the employee were subject to the provisions of the Labor Code of the State of California.

3. Said injury caused temporary total disability, entitling the applicant to \$40.00 per week beginning May 20, 1957 through November 16, 1959 and thereafter during the continuance of disability or until the further Order of this Commission, based upon maximum earnings.

4. Defendants are entitled to credit for all sums heretofore paid as disability indemnity.

5. Applicant is entitled to be reimbursed for the reasonable value of medical treatment procured by him to cure or relieve from the effects of said injury, to be adjusted by the

parties among themselves. If adjustment is not possible, this Commission will determine the matter upon the filing and service of itemized bills. Among the items of reimbursement are the following: The defendants are directed to pay to Veterans Administration Hospital the sum of \$2,685.60; to Dr. C. Pierre De Lawter, the sum of \$105.00; for services rendered as anesthesiologist which was authorized by the defendants; and to Dr. John K. Shirey, the sum of \$331.00.

6. In view of Finding #5, the lien claims of Dr. C. Pierre De Lawter and Veterans Administration Hospital should be denied.

7. Pursuant to Labor Code Section 4600, applicant is entitled to the reasonable, actual and necessary medical expense incurred for x-rays, laboratory fees and medical reports required to successfully prove his claim herein, in the sum of \$150.00 payable directly to Dr. John K. Shirey.

8. Founders Insurance Company is entitled to a lien against unpaid compensation in the sum of \$1,040.00 for the period beginning May 27, 1957 for a period of 26 weeks, at the weekly rate of \$40.00 under the provisions of Labor Code Section 4903-F.

9. Founders Insurance Company is not entitled to a lien in the sum of \$120.00 for hospital benefits paid the applicant under the provisions of the Labor Code.

10. Applicant is entitled to such further medical and/or surgical treatment as may reasonably be required to cure or relieve from the effects of said injury. This treatment is to be furnished by the defendants herein.

11. Said injury will result in permanent disability. Further hearing to establish the extent thereof will be held by the Commission upon the request of any party in interest upon proof that the disability has become permanent and stationary.

12. The claim herein is not barred by the Statute of Limitations.

13. Defendants have not been prejudiced by any alleged failure of the applicant to report said injury within the time required by the provisions of the Labor Code.

14. Applicant's attorneys are entitled to a lien against unpaid compensation for the reasonable value of their services in the sum of \$750.00.

15. Pursuant to stipulation of the parties, Phoenix Indemnity Company, a corporation, is entitled to be dismissed and discharged herefrom.

Re: James Whitcomb Riley

We have had correspondence from the Standard Accident Insurance Company's Los Angeles Office requesting completion of the attached carriers form for the subject former employee. According to our best information he was employed by us in the fourth quarter of 1951.

During that period Standard Accident Insurance Company carried our workmens compensation coverage and they are now involved in a claim involving Mr. Riley.

If possible, please complete and return the form to this office.

Dear Mr. Ross:

We enclose a photostat of the earnings record of J. W. Riley for the calendar year 1951.

Please call Standard Accident Insurance Company's attention to the fact that Mr. Riley worked only in Idaho and Washington with no employment in California.

Since you asked us to send this information to you direct rather than to Standard, mention that Riley was an employee of Armstrong Cork Company in 1951.
