Dear Jim,

It was great meeting you earlier this week. Thanks again for allowing me to participate in the discussions as they relate to Region 7.

As I mentioned earlier, the EPA is in the process of soliciting applicants for the Science Advisory Board (SAB) and the Clean Air Scientific Advisory Committee (CASAC). If you know of any interested scientists that work as a state government employee (or any you know who you would recommend), please encourage them to consider applying.

Please refer any interested individuals to the SAB and CASAC nominations page:
<https://yosemite.epa.gov/sab/sabpeople.nsf/ExpertInfo?OpenForm&nominationform=NominationPanelbf>

Additional information can also be found here:
<https://yosemite.epa.gov/sab/sabproduct.nsf/0/09ED9DB7B1C5BFF18525814B00711533?OpenDocument>

Individuals can nominate themselves.

Thank you again, warm regards,

Richard
