Thanks, Hayley. Liz, we're hoping to have the Administrator sit for an interview, on the record, for a short video for the Federalist Society's Regulatory Transparency Project (RTP). We could do this before or after his convention appearance on-site at the Mayflower. Here is a link to some other videos done by RTP: <https://regproject.org/video/>
I'm happy to discuss by telephone.

Dean – I wanted to connect you with Liz Bowman from our Press team. She can hop on a call or discuss over email with you today so that she understands the ask and what the video will be used for. I will let the two of you connect from here.

Hayley,

Any resolution on this? It would be on the record, a short video for the Federalist Society's Regulatory Transparency Project. We'd need the administrator for perhaps 30 minutes before or after his address/interview.

It would be on regulation generally, and deregulation as well.

Hi Dean,

Thank you for reaching out. I can certainly look at the schedule and see if we could do that. Before I do, can you just clarify for me what you mean by interview and what you would want to discuss (specific issues or personal in nature)?

Thank you!

Hi Hayley,

I was wondering whether Administrator Pruitt would be willing to sit for an interview either before or after his Convention appearance? It should take about

30 minutes.
