ALLEN EVERITT

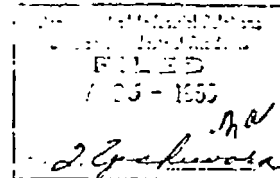

Applicant,

vs.

WESTERN ASBESTOS COMPANY, and
STATE COMPENSATION INSURANCE
FUND

Defendants.

FINDINGS AND AWARD

An Application having been filed herein, all parties having appeared, and the matter having been regularly heard before Olney L. Huff, Referee, and submitted for decision, said Referee now makes his Findings and Award as follows:

FINDINGS OF FACT

1. Allen Everitt, born March 7, 1900, sustained an injury arising out of and occurring in the course of his employment, consisting of asbestosis caused by his exposure to asbestos while in the employ of Western Asbestos Company for the period 1946 to March 1, 1963, as an asbestos worker. At said time the employer's insurance carrier was State Compensation Insurance Fund.

2. Said injury caused temporary total disability beginning May 1, 1963, to and including August 1, 1963, and continuing, entitling applicant to compensation during said period at the rate of \$70.00 a week, based upon maximum earnings.

3. The evidence is insufficient to indicate apportionment.

4. Applicant is in need of further medical treatment to cure or relieve from the effects of the injury herein.

5. Applicant has incurred the expense of a medical report from W. R. Brode, M. D., in the sum of \$15.00, and the expense of examination, report, x-rays and laboratory tests from Joseph Ross, M. D., in the sum of \$112.50, necessary to successfully prove his

1 claim and is entitled to be reimbursed for the same, payment of
2 \$15.00 to be made to Dr. Brode, and \$112.50 to Dr. Ross.

3 6. Applicant is entitled to reimbursement for self-pro-
4 cured medical treatment, the matter to be adjusted by the parties.

5 7. The Department of Employment has paid unemployment
6 compensation disability benefits and is entitled to a lien against
7 unpaid compensation at the rate of \$70.00 a week for the period
8 beginning May 1, 1963, to and including July 14, 1963.

9 8. Defendants were not prejudiced through lack of notice.

10 9. The injury herein was caused by applicant's employment
11 on land and the Commission has jurisdiction of the case.

12 10. Applicant became disabled and first had knowledge that
13 his disability was the result of his employment within one year
14 prior to the filing of the application for compensation benefits and
15 the claim is not barred by the statute of limitations.

16 11. Applicant's attorneys, Smith, Parrish, Paduck & Clancy,
17 have performed legal services of the reasonable value of \$75.00 and
18 are entitled to a lien in said amount against unpaid compensation
19 which is to take priority of the lien claim of the Department of
20 Employment.

21 A W A R D

22 AWARD IS MADE in favor of ALLEN EVERITT against STATE
23 COMPENSATION INSURANCE FUND of temporary disability indemnity at the
24 rate of \$70.00 a week beginning May 1, 1963, to and including
25 August 1, 1963, and indefinitely thereafter, until the further order
26 of this Commission, less the sum of \$75.00 payable to Smith, Parrish,
27 Paduck and Clancy as an attorneys' fee, and less the lien of the
28 Department of Employment at the rate of \$70.00 a week for the period
29 beginning May 1, 1963, to and including July 14, 1963.

8 AWARD IS FURTHER MADE in favor of ALLEN EVERITT against
9 STATE COMPENSATION INSURANCE FUND of reimbursement of the reasonable
10 medical expense incurred by applicant for the cure or relief of the

We have received a copy of the Petition of the State Compensation Fund and Insurance Carriers in the matter of the Fluor Corporation. A copy of the application has been received and the same will be answered by the State Compensation Fund.

The petition of the State Compensation Insurance Fund and Western Ashbestos Company alleges that the Associated Indemnity Corporation was the carrier for the Fluor Corporation, Inc. in 1955. We have no record of any other earnings for the period in which Mr. Everitt is interested.

Workers began to acquire social security credits beginning 1937; therefore, we have no record of any earnings for 1936.

Our records do not show the amount of earnings in each quarter of 1937 because employers were required to file reports only twice that year.

Any earnings earned after March 31, 1963, have not been included. Earnings are not usually posted to our records for at least 6 months after the period in which the report is filed by the employer. This much time is needed to receive and post the wage reports.

Sincerely yours,

Robert M. Wayne

an occupational disease arising out of and in the course of
his employment;

2. Applicant was in the employ of defendant Western
Asbestos Company for parts of the following quarters:

and for no other time;

3. Defendants Western Asbestos Company and State Compensation Insurance Fund allege that all or part of applicant's alleged occupational disease, if shown to have been the result of industrial causation, arose out of and in the course of employment for employers other than defendant Western Asbestos Company, and was wholly or partially contracted in the period beginning 1946 and continuing through 1963;
