

46:43:10 out of the 11 people were selling or supplying
46:45:20 asbestos brakes with no label on them?

A What do you mean?

Q In other words, if only one was warning,
46:50:40 then the other ten weren't, and you realized that?

A Yeah. Yeah.

Q And didn't that -- wasn't that
47:00:60 problematic for you to know?

A No. Because people were trying to
47:05:90 interpret the thing, and as far as the label
47:07:10 replacement and all that stuff, they were given
47:09:10 the wording on the thing. If they did, if they,
47:11:20 you know, we will not divulge the results by the
47:13:30 individual party because we knew people like you
47:15:40 would be around later on, you know, to go and say
47:17:50 did they know this or did they not. So the fact
47:19:60 that we got 11 out of the 20 sent out, I think
47:21:70 that was a pretty good response rate.

Q In fact, here on 2800, which is your
47:31:90 Bulletin 462 of December 6th, 1972, you go on to
47:32:00 say that 25 questionnaires were sent out, 11

47:48:20 a reasonable cross section of the membership, as
