**Subject:** CBS News Request

Hi Liz –

This is Margaret Hynds with CBS News. CBS This Morning would like to request permission to do a liveshot in front of the EPA headquarters on 12<sup>th</sup> St NW tomorrow morning. We would arrive around 5am to set up, and would be clear by 8:30am at the latest, and we would have a camera crew as well as a satellite truck.

Please let me know if this is possible, or if there's someone else I should reach out to.

Thank you,

Margaret
