Hello again,

Please help us stop this insanity. We get fumigated by gasoline on a regular basis.

We realize that your job does not allow you to help a bunch of suffering nobodies, but, perhaps one day, when you are in a good mood,

you decide to take a pity on us and make an effort and actually help to enforce the laws and regulations that guarantee access to a non poisonous air to everyone in this county.

Who knows, one day you may end up in the same situation. Earn some good karma now, before it is too late.

Thank you for your time.

Val Rafalsky
