

August 23, 1968

TO ALL MEMBERS OF: BOARD OF DIRECTORS and
INDUSTRY DEVELOPMENT COMMITTEE of
Lead Industries Association, Inc.

Dear Mr.

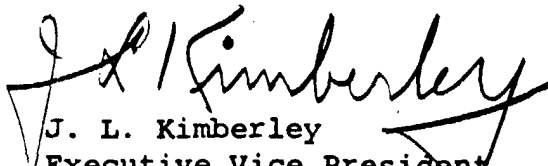

It is my unhappy task to inform you of the sudden death on Saturday, August 17th, 1968 of D. J. (Dan) Herts. As a member of the Industry Development Committee, his support was always constructive and consistent.

Should any of you care to write, his widow's address is:

821 Jersey Avenue
Apartment 6 G
Elizabeth, New Jersey 07202

The Association has appropriately noted the occasion with a modest donation to the American Heart Association in his memory. We did not learn of Dan's death until the hour of the funeral.

Sincerely,

J. L. Kimberley
Executive Vice President
