Hi Aurelia,

I hope you are doing well and that you have good plans for Thanksgiving. Maybe you are headed to Indiana?

When we met at Jack Ferguson's, I indicated that I had a conservation bank client whose interests are in the lesser prairie chicken. Right now, we are working on the hill to enforce the private sector solution to ESA issues.

Would you have time to meet after the holiday to talk about what we are doing on the hill relative to ESA, as well as address some of our client's specific issues related to the lesser prairie chicken program management through the Western Association of Fish and Wildlife Agencies known as WAFWA?

Best,

Hi Aurelia,

It was good to meet you at Jack's place last week. I am pulling cards out of my pockets which is always fun. I enjoy looking back over my varied week.

I hope your trip to Arkansas went well. No doubt you are on the road again.

It would be great to meet again for coffee as your schedule permits.

Best,

Allison Nyholm
