Here are mine – its fine to upload them.

Thanks again! I've gotten lots of very positive feedback on this session as well, and look forward to continuing these conversations.

Hi all,

Is it Okay that we upload your slides on the SRA website? It would be nice to be able to refer to them – this has been done for other plenary panels before.

If it is okay, please send me the version that we should use.

Thanks again for participating in this panel. It was great – interesting and informative – that is the message I have received from people. And that I also think.

Best
