Right now those days do not work (I am on the road and will check what kind of shuffling I can do to make one work) . Is there a time later in the day on the 18th?

Caroline,

Micah directed me to you. Congressman Williams asked me to reach out and ask that Secretary Zinke consider meeting with Jeffrey Hilderbrand, founder, chairman and chief executive officer of Hilcorp Energy Company, an independent oil and gas explorations and production company headquartered in Houston, Texas. He will be in DC later in June and is flexible on the dates and times. I have copied Justin Furnace with his team to help coordinate. We appreciate your assistance in scheduling this meeting.

Dear Justin,

Thank you for your patience. Is July 18th still a convenient date for Mr. Hilderbrand to meet with Secretary Zinke?

Thank you,  
Leila

June 14<sup>th</sup> is no longer an option for Mr. Hildebrand. Not sure where you guys are in the process but I wanted to let you know. The other two dates work (19<sup>th</sup> and 26<sup>th</sup>). If we need to send dates in July please let me know. Again, thanks for checking!
