Talk It Over With Your

He will tell you that Sherwin-Williams Paint has the staying, weather-resisting qualities that give a house sure protection. It also has wonderful covering power, holds its color and everlastingly sticks to the job. Judged by its power to protect and long years of service, it is the most economical paint you can buy.

Coat New and Old Screens

with S-W Screen Enamel. The paint on new screens isn't tough enough to protect them through their first season. S-W Enamel insures longest possible life to new wire, and will also give old screens renewed terms of usefulness. It flows freely, will not fill up mesh, and screen rust hasn't a chance on earth against it.
