TO:

Frank

SUBJECT:

#19 INSULATING BLOCK

This is to advise you that our ~~#18 Insulating Block~~ has been discontinued. Our #19 Insulating Block is a superior product and eliminates the need for our #18 Block.

Due to the generally unsettled state of the Insulation Market, we suggest you check with us prior to quoting on any large requirements. Recently, there have also been quotations for special size #19 Block, 6 x 6 x 2" Thick. For this particular size, we have to get at least \$.38/B.F. F.O.B. Port Kennedy. Each piece is only 1/2 of a B.F.

F. T. Christenson
