Aaron, thank you for your kind email. I completely understand about AA Wheeler's availability. We would very much like to confirm Mr. Wehrum and Mr. Ross together if at all possible. Please let me know what you need from me. Many thanks for all your kind efforts. Rich

Good evening Rich

Ryan may have already reached out to you, but I'm following up just in case he hasn't had a chance. Unfortunately, Acting Administrator Wheeler is not available to participate in your fall 2018 board of directors meeting. However, we have forwarded your invite to both, Bill Wehrum, Assistant Administrator for Air and Radiation, and David Ross, Assistant Administrator for Water to see if one or both of them could participate. Their offices will be in touch with you directly.

Thanks again for the invitation. I'm sorry it didn't work out this time, but please feel free to invite Acting Administrator Wheeler to participate in future events.

Aaron Dickerson
Office of the Administrator
U.S EPA
