June 20, 1936

Mr. J. H. Schaefer
Ethyl Gasoline Corporation
P. O. Box 688
Wilmington, Delaware

Dear John:

With reference to the discontinuance of periodic examinations of tank truck drivers, I am glad to inform you, as a matter of record, that this was agreed upon by the Medical Department. It seemed quite an unnecessary formality to examine these men at regular intervals, in view of the normal absence of exposure to lead in their occupation.

Very truly yours,

RAK:is

Robert A. Kehoe, M.D.
