Dear Administrator Pruitt:

We had an opportunity to meet with your Senior Advisor for Regional and State Affairs, Ken Wagner, on April 18, 2017. Thank you for your efforts in reaching out to the states to engage administrators and staff on the important issues we are facing. As you know, as co-regulators, it is critical for us to work together to achieve the best outcomes in the most efficient manner for our citizens. Having an opportunity to sit down with Ken and engage in an open and frank discussion about what is working well and what issues need attention is great way to start building strong relationships with your state partners.

Thank you again to you and Ken, for your outstanding outreach efforts.

Sincerely,

Cathy Stepp
Secretary
