Asbestos Dust Experiments.

Dear Dr. Gardner:

Attached is copy of a brief
note I have received from Mr. Muehleck,
President of Keasbey & Mattison Company.
How should I answer it?

I have a request from Mr. E. T.
Legge, Industrial Relations Manager at
our Lospec, Calif. plant, for a copy of
the proceedings of the Third Silicosis
Symposium and also for a copy of what he
describes as a "report concerning tubercu-
losis in the 1942 report to the Tradeau
Society". Have you spare copies of these
which you could send Mr. Legge, or could
you advise me where they are obtainable?

With kindest regards, I am

Sincerely,

Vandiver Brown,
Secretary.
