Subject: RE: Shanghai Health Study - meet earlier in August?

Bruce and Russ:

I am assuming this does not pertain to me. Although in the past I have sat in on SRP/ERP meetings I was not planning on attending this one. Correct ?
(I could possibly make the early August dates but not August 10th or after).

SHS Science & Ethics Panelists –

Despite earlier feedback, August 14 – 16 is not a viable option for many Science & Ethics Panel members... similarly, later dates in August conflict with academic schedules.

Please reply with your availability earlier in August... the following dates suggested by Jerry Rice and Otto Wong:

12, 13, 14 August (arrive on Sunday – depart Tuesday after lunch)

5, 6, 7 August (arrive on Sunday – depart Tuesday after lunch)

6, 7, 8 August (arrive on Monday – depart Wednesday after lunch)

7, 8, 9 August (arrive on Tuesday – depart Thursday after lunch)

8, 9, 10 August (arrive on Wednesday – depart Friday after lunch)

Thank you! Bruce.

Best Regards – Bruce.
