Truman asked that I reiterate to you the fact that during negotiations to cancel some \$800,000.00 worth of SNG vessels at Berry Contracting Company in Corpus Christi, a part of the settlement was as follows:

Berry will allow Coastal States Gas Corporation a credit memorandum in the amount of \$50,000.00. This \$50,000.00 credit may be used by Coastal States Gas and/or any of its subsidiaries if and when Berry should receive a contract in excess of \$500,000.00 from Coastal or one of its subsidiaries.

If you should have any questions, please give me a call.
