Tate,
Unfortunately, Beau is tied up in meetings this afternoon and won't be out until well after 5:15p. He wanted to let you know that he will join the already-scheduled CLA-EPA meeting on Wednesday at 2pm with Nancy and hopes that you will join as well.

Thank you,
Fred

Beau-

I know this sounds way too late in the day to be discussing this, but is 5:15 tomorrow evening at EPA a good time to meet with Nancy and I on this? We can keep it short!

Hi Tate. Attached are industry and grower comment letters submitted on May 15 that speak to worker protection and certification and training rules. This would be a good place for us to begin a conversation on this and other related matters.

Hope to see you next week.

Beau.
