Gentlemen:

In response to yours of March 2, 1964 on the above captioned, this is to advise that a hearing was held before the Industrial Commission on September 18, 1963, and it was agreed on a settlement of \$8,000, to be allocated between the numerous companies involved.

Our exposure is approximately \$10.00.

We have not received any further word from our attorneys on this matter, as to whether or not an agreement has been reached between all companies as to the amount that should be allocated between them, in order that we might pay our portion of this claim.

As soon as we have been notified by our attorneys, we, of course, will notify you, however, in the meantime, we suggest that you diary your file for at least another six months, and write us again if you have not had any word from us by then.

Very truly yours,

Vera E. Dowling

Dear Mr. Herlihy:

Subject: Steve Gilivich
vs.
Armstrong Cork Company
A27-42980

We are sorry we cannot comply with your request for wage and other information on Steve Gilivich, but all payroll and contract records prior to 1955 have been destroyed. There is one exception to this statement, however, and it comes into play to your company's advantage. We do maintain a total yearly earnings record by individual and these records go back to 1940. We were able to determine from these records that Steve Gilivich was not an employee of our South Gate Manufacturing Plant during 1948, 1949 or 1950; and since this is the location your company insured, your defense is obvious.

Please let us know if you need anything further from us.

Very truly yours,

Wallace B. Hofferth

REC'D DEC 7 1962

Steve Gilivich v. Armstrong Cork Company
A27-42980

Gentlemen:

We were your workmen's compensation carrier from January 1, 1944 until January 1, 1952.

A Steve Gilivich, present address 239 Georgia Avenue, San Bruno, California, Social Security No. 557-03-4199, born May 16, 1899, has filed an application before the California Industrial Accident Commission alleging that he suffered an injury to his respiratory system from exposure to harmful dusts while employed by various employers.

Allegedly he was employed by you during 1949.

We would appreciate your checking your records during the entire period of our coverage, and your sending us the following information:

1. Completing the enclosed wage statement forms giving us Mr. Gilivich's earnings while employed by you, and indicating the hourly rate.
2. Job location, or locations.
3. Job title.
4. Identity of supervisory personnel, or other personnel familiar with Mr. Gilivich's work activities.
5. Any medical reports or knowledge of x-rays taken would be of help.

Since the hearing is scheduled on December 17, 1962, we will appreciate a prompt reply.

Yours very truly

Paul J. Herlihy
