Re: Sireco v. Chemco Inc. et al

Gentlemen:

I enclose herewith a copy of an affidavit submitted by Rohm & Hass Company which indicates that they have nothing to do with the sale and distribution or marketing of Polyvinyl Chloride resins.

In view of the affidavit-I am considering a discontinuance against Rohm Hass. Prior to doing so I would request that each of you consent to the fact that Rohm & Hass, if you have knowledge, did not market, manufacture, sell or distribute Polyvinyl Chloride resins. If this information is correct then, of course, your cross-complaints, if any, would likewise have to be discontinued.

Prior to the discontinuance being rendered to Rohm & Hass Company I will need your consent. If you do consent kindly let this office know so that we may make up the appropriate consent forms.

Very truly yours,

Frank P. Mangiatordi
