Dave, Tracy, Tommy and other  
interested parties,

First, nice job on the release, Dave!

Please see the attached version. I made  
a couple of slight adjustments here and  
there. Please review to ensure I didn't  
accidentally change meaning, track and  
edits and return.

The most notable change is that I  
attribute the quote to Tracy rather than  
David LaFrance. It seems more  
appropriate and credible to have  
Tracy's voice behind these quotes than  
David's. Thanks all.
