All,

During the conference call last week we agreed to schedule another call for March 15, at 10 AM EDT. Please add the call-in information below to your calendar. An agenda will be forthcoming.

Attached is the new budget for the study based on the decision last week to move \$40,000 from contingency to the Steptoe & Johnson contract.

Also, the pace of events has made the monthly update seem unnecessary for February and March. Maybe we can discuss this on Thursday.
