Association account

Dear Ivans:

I apologise for the delay in acknowledging the draft for \$2500 for the support of our work in the interest of the Association for the period October 1, 1952 to December 31, 1952. At the present time we are reviewing all of the data in an attempt to have a report in your hands within the near future.

Sincerely yours,

Arthur J. Verneid, M.Sc.
Director, The Trudeau Foundation
and The Garneau Laboratory
