New Jersey Weather: Variable

NEWARK, N.J. (UPI)—Britain in every month of the year." The description tends to still hold true.

A popular textbook of the day, Morae's "Geography Made Easy," said New Jersey "has the moisture of Ireland in spring, the temperature of Italy in June, the heat of Africa in summer, the sky of Egypt in autumn, the snow and cold of Norway in winter, the tempests of the West Indies, and the variable winds and weather of Great
