Dear Mr. Peters:

We have your request regarding the safety of VBAA-3027 Natural as a packaging material used for wrapping butter and margarine. It is our understanding that our film is now being used for packaging whipped butter.

We are writing to assure you that we assume full responsibility for the safety of the use of "Akelite" brand vinyl film VBAA-3027 Natural for food packaging in contact with whipped butter and margarine, when it is used without modification, in accordance with good manufacturing practice.

Thank you for your interest in our products and if we can be of further assistance, please let us know.

Very truly yours,

A. W. Downes
