

RICHARD DOLL

EX-11-103-100
7/26/88 CMA.

BORN 28 October, 1912

GRADUATED St. Thomas's Hospital Medical School,
University of London, M.B., B.S., 1937

OTHER DEGREES M.D., London, 1945
D.Sc., London, 1958
D.M., Oxford, 1969

HONORARY DEGREES D.Sc., Newcastle 1969; Belfast 1972; Reading 1973;
Newfoundland 1973; D.M., Tasmania 1975.

PROFESSIONAL AWARDS F.R.C.P. London, 1957; Honorary F.R.C.G.P., 1978.
F.R.S., 1966.

Honorary member of the American Association for Cancer Research, the American Gastroenterological Association, the American Epidemiological Society, the American Academy of Arts and Sciences, the Italian Oncological Society, and the Norwegian Academy of Sciences.

HONOURS Kt. 1971
O.B.E. 1956

MILITARY SERVICE R.A.M.C. 1939-45: Battalion Medical Officer, France, 1939-40, Medical Specialist Middle East, 1941-44.

POSTS HELD Casualty Officer and House Physician, St. Thomas's Hospital, 1938-39.

House Physician, Royal Postgraduate Medical School, Hammersmith, 1939.

Junior Assistant, Medical Unit, St. Thomas's Hospital, 1945.

Research Assistant to Dr Avery Jones, Central Middlesex Hospital, 1946-47.

Member MRC's Statistical Research Unit, 1948-69

Deputy Director " " 1956-60

Director " " 1961-69

Deputy Director of MRC's Clinical Research Centre, 1966-69.

Honorary Associate Physician, Central Middlesex Hospital, 1949-69.

Honorary Lecturer in Epidemiology, London School of Hygiene and Tropical Medicine, 1956-62, and University College Hospital Medical School, 1962-69.

UCC 073120

POSTS HELD Regius Professor of Medicine, University of Oxford, and Honorary Physician, Radcliffe Infirmary, 1969-79.

Honorary Director, Imperial Cancer Research Fund's Cancer Epidemiology and Clinical Trials Unit, 1978-83.

Warden, Green College, Oxford, 1979-83.

PRESENT POST Acting Director, Imperial Cancer Research Fund's Cancer Epidemiology and Clinical Trials Research Unit.

AWARDS William Julius Mickle Fellow, University of London, 1955.
 David Anderson Berry Prize, Royal Society of Edinburgh (jointly, with W.M. Court Brown), 1958.
 Bisset Hawkins Medal, Royal College of Physicians, 1962.
 United Nations Award for Cancer Research, 1962.
 Gairdner Award, Toronto, 1970.
 Buchanan Medal of the Royal Society, 1972.
 Nuffield Medal, Royal Society of Medicine, 1973.
 Presidential Award, New York Academy of Sciences, 1974.
 Prix Griffuel, Paris, 1975.
 John Snow Award, Epidemiology Section, American Public Health Association, 1976.
 Gold Medal, Royal Institute of Public Health, 1977.
 Charles, S. Mott Prize for Cancer Research, New York, 1979.
 Gold Medal, British Medical Association, 1983.
 Wilhelm Conrad Röntgen Prize, Accademia dei Lincei, Rome, 1984.
 Johann-Georg-Zimmermann Preise, Hannover, 1985.
 Founders' Award, Chemical Industry Institute of Toxicology, 1986.
 Royal Medal, The Royal Society, 1986.

COMMITTEES Chairman, Management Committee, Institute of Cancer Research, 1978 to date.
 Member, Council of Institute of Occupational Medicine, 1981 to date.
 Chairman, Medical Research Council's Cancer Coordinating Committee, 1973-77.
 " Adverse Reactions Sub-Committee of the Committee on Safety of Medicines, 1970-77.
 Sometime member, Royal Commission on Environmental Pollution.
 " Commission on Energy and the Environment.
 " Council of the Royal Society.
 " Medical Research Council.
 " Council of the Royal College of Physicians.
 " Advisory Committee on Medical Research, World Health Organization.
 " Scientific Council of the International Agency for Research on Cancer.
 " Council of the International Union against Cancer.

UCC 073121

LIST OF PUBLICATIONS

RICHARD DOLL

UCC 073122

- 1936 1. DOLL, R. (1936). Medical statistics. St Thomas's Hospital Gazette, 294-297
- 1937 2. DOLL, R. (1937). Notes on the Berger rhythm and the electro-encephalogram. St Thomas's Hospital Gazette, 157-159
- 1939 3. RICHARDSON, J.S. and DOLL, R. (1939). The juvenile form of the adreno-genital syndrome. Brit. med. J., 1, 501
- 1946 4.* DOLL, R. (1946). Helium in the treatment of asthma. Thorax, 1, 30-38
- 1948 5.* DOLL, R. and SCHNEIDER, R. (1948). The effect of paludrine on human gastric secretion. Brit. J. Pharmacol. & Chemo., 3, 352-353
- 1949 6. DOLL, R. and JONES, F.A. (1949). Environmental factors in the aetiology of peptic ulcer. The Practitioner, 162, 44-50
7. DOLL, R. and BUCKATZSCH, M.M. (1949). Sickness absence due to peptic ulcer. Brit. J. industr. Med., 6, 100-102
8. DOLL, R., JONES, F.A. and MACLAGAN, N.F. (1949). Gastric secretion and subsequent dyspepsia. Lancet, 2, 984
- 1950 9.* BISHOP, P.M.F., RICHARDS, N.A. and DOLL, R. (1950). Habitual abortion. Brit. med. J., 2, 130
