Subject: INVITE: EPA Event - Air Announcement on Wednesday, 2pm @ EPA HQ

Dear Charlotte,

On **Wednesday, June 11th**, Administrator Zeldin plans to make an announcement related to two air actions.

We will host a ceremony at **2pm ET** at the EPA Headquarters, which will be attended by Members of Congress, key elected officials, and impacted stakeholders.

As a relevant stakeholder to the issues he will be announcing, we invite API President and CEO Mike Sommers to join us for this event.

If you or anyone from your team would like to join us, please send over a list of names and emails by tomorrow COB (6/10) and we'll make sure you're on the list. We will also send specific entrance instructions plus further details as they're solidified.
