SPRAY ON ACOUSTICAL PLASTER

C. O. Shuttleworth - cv

CDS

cc: Mr. R. E. Schilling - St. Louis Sales
Mr. L. W. Thompson - " " "

Yesterday Mr. Thompson was here to discuss some of the problems in his territory and during discussion asked about acoustical plaster for spray on application.

He has a very friendly plastering contractor in Evansville, Mr. George Soliman, who is interested in acoustical plasters and believes that he could arrange trial of our new acoustical plaster on a limited basis if you are interested. This is for your information.
