TULLER & MOOSMAN

Answering your letter of December 6 and confirming our several telephone conversations, Mr. Freer telephoned Mr. Ernst and had an appointment to discuss the Tuller & Moosman situation with him last Monday.

From what you say, it probably was unnecessary for Mr. Freer to appear personally before the Examiner of Accounts of the City of New York and Mr. Ernst's request that he see him was undoubtedly to post him on certain phases of this controversy which he considered necessary.

Will you please keep us posted on what develops?
