Dear Dr. Wapensky:

I am sending under separate cover samples of Aroclor 1221, Aroclor 1242 and Aroclor 1254 as requested in your letter dated July 5.

I regret I cannot include the remaining Aroclors listed. Manufacture of these mixtures was discontinued long ago and our supply of samples has been depleted.

I hope the lack of some of the Aroclors does not seriously inconvenience you. If I can be of further service please let me know.

Sincerely,

W. B. Papageorge
