Hey Tate and Preston!

Tate- I know we've talked about this issue more times that I can count, but I just wanted to touch back on this before our boss's see each other tomorrow.

Jon Tack had a productive call with the EPA on Oct. 19 regarding the antidegradation issue, but has not heard from them since then. Can you check on the status from your end?

Thank you!
Stephanie

Mr. Fotouhi,

I have not heard from anyone since our conference call on October 19th. If you could call me at 515-577-9225 and provide me with an update, I would really appreciate it.
Thanks.
