Mr. F. E. Wormser, Secretary
Lead Industries Association,
420 Lexington Ave.,
New York, N.Y.

Dear Mr. Wormser -

Thinking over the Code meeting of the Paint people next Monday, I think I had better tackle the job alone and keep it on an informal basis. Would not care to if before the Administrative authorities, but as I understand it, this is a meeting of the code authority set up by the paint organization and in which there is no participation by Mr. Johnson's deputies. All I am planning to do is to explain, as well as possible, why, in our judgment, we must use consignment in connection with our agency plan.

If they protest to the administrators, then Lead Industries Association must get into the picture.

Yours very truly,

F. M. Carter
