Bulletin Number 73-181

October 12, 1973

After December 1, 1973 we will no longer package the following transformer askarel fluids in 30 gallon containers. Demand for this 30 gallon package has always been relatively small. We will continue to supply our standard 55 gallon drums and 5 gallon pails:

Products	30 gallon Drum
Transformer Inerteen 70-30	360 lbs. net
Transformer Inerteen 100-42	320 lbs. net
Transformer Pyranol A13B3B3	360 lbs. net

Please mark your price sheets to show elimination of the 30 gallon drum.

Thank you.
