is a good singer,
a smart young-
ster, and a good
all around a c-
tress. She is so
cute I would like
to see what she
would do. I like
a fresh kid on
the screen... We use Remar."

Frank Marshall, Cafe Manager,
6827 Outlook
Avenue, Oak-
land: "I would
like to spank
Myrna Loy be-
cause I like her
so much. It would
be a pleasure to
give her a good
friendly tap. I ad-
mire her acting
and I like her
glamour. She has
some sense, too."

D. J. Clarke, Tobacco Salesman,
3923 Grand Ave-
nue, Oakland: "I
would like to re-
peat the per-
formance. She is
a nice looking
girl and keeps
herself lovely. I
imagine she
would fight back
but I would not
spank her in
anger, just in ad-
miration."

J. Sorrentino, Welder, 573 32nd
Street, Oakland:
"I would like to
spank Penny...
she keeps me
waiting so long.
I like her so
much I come
back for more. I
would not spank
hard... just a
reminder."

Frank Jordan, 2326 67th Avenue,
Oakland: "My
darling wife...
to get her back
in line once in a
while. She for-
gets I am the
boss. I thought
I had her well
trained, but some-
times I think I
am slipping. I
don't mean any
of this in case
my wife reads
this column."

Frank Motta, Teamster, 5317 Bond
Street, Oakland:
"I would like to
spank my 16-
year-old daughter
because she is
awfully naughty
... but very cute.
She doesn't help
her mother
enough, but she
is the apple of
my eye. If she
were a boy... I
could do it, but
not to her. My wife always buys
Remar and packs my lunch with it."

Barb Cooney, Remar plant super-
intendent: "Yes,
I get questioned,
too. Only I'm
asked how our
new schedule of
baking -hours
works out. All I
can say is—it's
swell... Baking
Remar 4 hours
later puts the
bread in the
grocers 4 hours
fresher... and
of course this 4-hour-fresher bread
has a greatly improved flavor, too."
