Hi Hannah,

I just wanted to reach out to share Rep. Edwards' support for expediting the Department of Transportation's PNT Office's facilitation of a private sector deployment of a backup system through the eLoran PNT system.

I'm sure you've heard from multiple other members already, so I'll spare you the long email – but I've attached Chairman Graves' letter to Secretary Duffy in support of the system's implementation and stand ready to answer any questions you may have!

Best,
Heather
